

Rotas, Leave and all that

F1 Monday to Friday 8-5

one in six weekends 10hrs sat/sun (mon/tues off)

3 nights per 6 weeks pref weds/thurs/fri (following mon off)

F2/core ST 8 person shift pattern – you choose your slots week of nights 17 days off!!

Resp/Advanced trainees 8 person shift pattern

Reg of the week please!

Rotas

F1 should make sure that they do not always work with same people on call – ideally not away together – study leave discretionary –

Taster time with career choice if you want.

Holiday 9 days

F2 holiday 9 days for 4 months 14 days for 6 months usually taken with time off after nights study leave 30 days/ year – preference to those doing exams - some of this is in your time off.

rotas

Advanced trainees six months 16 days holidays
study leave 30 days / year

**We expect an F1, 2 Core and, 2 advanced
trainees minimum each week day**

We would like a Reg of the week who runs the shop
Monday to Friday

rotas

We expect all trainees to fulfill IBTICM training requirements/ paperwork dependent on their level – basic, intermediate or advanced

www.ibticm.org

Respiratory STs should fulfill resp training requirements as a minimum

Speak to Phil / see board for assessments required and paperwork

rotas

We do not expect to have any input to your rotas – they are yours and we expect you all to make it work without us interfering!!

We nurture professionalism on the unit!!!

Any problems Maurizio or Phil

For locum payments they need to be signed by business manager/matron.
